Community Bankers of Wisconsin

Tuesday, MARCH 18, 2014
2:00 pm – 3:30 pm Central

Financial institutions play a vital role in ensuring that the provisions of the National Flood Insurance Program are carried out. Examiners are inspecting flood compliance procedures with a microscope and penalties are quick to be issued. In addition, examiners want to ensure you are ready to implement sound procedures to address the new and proposed changes under the Biggert-Waters Act.

This must-attend session will address these rules, proposals, and FEMA mapping/pricing changes. The sample procedures and tools provided will assist you with compliance and make your next flood exam a non-event.
